

India @75 - My Statistics - My Story-Lecture Series

INSPIRATIONAL STORY TELLING REACH OUT TO ASPIRING STATISTICIANS

SATURDAY, NOVEMBER 13, 2021

6:00-8:00 PM (IST)

MS TEAMS

**Lecture 5 : Dr. Nagaraj Neerchal ,
Professor Of Statistics,
University of Maryland Baltimore County,
Maryland, USA**

Professor Nagaraj Neerchal is among the leading researchers in Applied Statistics with a strong background in theoretical statistics. A 1968 Ph.D. in Statistics from the Iowa State University, Ames, Professor Neerchal did his B. Stat and M. Stat in Indian Statistical Institute, Kolkata. He has been with the University of Maryland Baltimore County, Maryland, USA, since 1986. His administrative experience and responsibilities included such as the department chair, graduate program director and director of interdisciplinary research and consulting center. Professor Nagaraj, on sabbatical from UMBC, headed the Chinmaya Vishwa Vidyapeeth University, Ernakulam, Kerala as its Vice Chancellor from August 2019 to July 2021.

Professor Nagaraj's research activities span topics in Time Series Analysis, Analysis of Correlated Categorical Data, Environmental Statistics, General Methodology, Data Mining and Analysis, among others. He has coauthored three books and published close to 50 research papers. He is a member of American Statistical Association and the International Environmetrics Society.

Professor Nagaraj has served on the editorial board of several national and international statistics and Environmental Science journals, and mentored over 8 Ph.D. students
