DEPARTMENT OF STATISTICS

Extends an invitation to a lecture by Dr. H.N. Nagaraja

Being organized as a part of

India @75 - My Statistics - My Story- Lecture Series-Lecture 8

Saturday, December 18th, 2021 - 7.30 pm- 9.30 pm (IST)

Professor Haikady N. Nagaraja, is a Professor Emeritus at College of Public Health, The Ohio State University. He has been with The Ohio State University since 1980.

A 1980 Ph.D. from The Ohio State University, Prof. Nagaraja has been Chair of Division of Biostatistics, College of Public Health, OSU. He held professorial positions in Statistics, Biostatistics and Medicine at OSU at different time points. He has been the recipient of more than 50 research grants from reputed institutions such as American Heart Association, National Institutes of Health, National Heart Lung and Blood Institute, National Science Foundation among others. He has published over 100 theoretical/methodological research papers and over 125 collaborative research papers. He coauthored six textbooks among which, the two books on Order Statistics and Records have been considered biblical for researchers in these areas. His research papers have been published in high impact journals such as Annals of the Institute of Statistical Mathematics, Annals of Statistics, Biometrika, Sankhya-Series A among others.

He has been on the editorial board of various national and international journals such as *Communications in Statistics, Theory and Methods, Journal of Statistical Planning & Inference* and has served as a referee for more than 4 dozen of journals. He is a Fellow of American Statistical Association, an elected member, International Statistical Institute and a past president of International Indian Statistical Association.
