

Department of Chemistry

Organizes

Open Day

On 13th & 14th Dec. 2019

Seminar

Lab Tour

Introduction to Equipment

Nanomaterial Synthesis

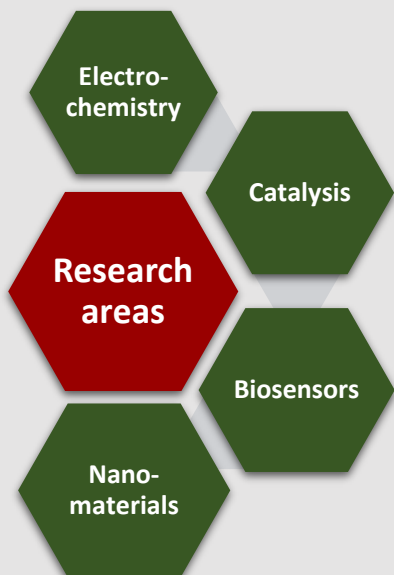

Why Open Day?

- ❖ To interact with academicians and students at various levels of their career
- ❖ Discuss various opportunities in Chemistry
- ❖ Check out the infrastructure through lab tour from class rooms to chemistry labs
- ❖ Student-led experimental demonstrations

Who Can Attend?

T. Y. B.Sc. / M.Sc. Students of Chemistry / Biochemistry

FREE REGISTRATION

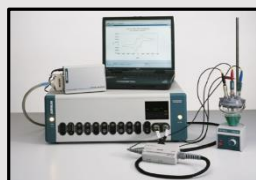

Research
Equipment

Spectrophotometer

HPLC

EC workstation

FTIR

Contact Information
